

[AGST INTERNATIONAL COLLABORATIVE COURSE]

生物資源経済学特別講義 VIB

SPECIAL LECTURE ON NATURAL RESOURCES ECONOMICS VIB

Rural Sociology *transformation in* *postindustrial societies*

by **Prof. CLAUDIA NEU**
(University of Göttingen, Germany)

One of the primary objectives of this course is to introduce students to the principles of sociology in general and key concepts of rural sociology in particular. In addition, we want to provide the analytical tools for understanding the processes inherent to these concepts. Beyond that, the course aims at enhancing students' ability to identify different research perspectives and to critically discuss and analyze research strategies and methods.

Dr. Claudia Neu is Professor of Rural Sociology at the Universities of Göttingen and Kassel, both in Germany. She holds a PhD from the University of Bonn (Germany). Her research and teaching interests cover demographic change, sociology of public services, rural sociology and civic participation/volunteering.

- **This course is designed to be worth 1 credit.**
- **For academic credit:** Registration via KULASIS is already closed.
- **For non-credit participation:** Register with Mr. KURODA by emailing him your name, affiliation, and student ID number by **Jan 31**. Registration for non-credit participation will be accepted on a first-come and first-served basis and will be closed upon reaching the full capacity.
